## THE SAINT JOSEPH'S HAWK

One of the most famous mascots in college sports, the Saint Joseph's Hawk has flapped its wings for 68 seasons. The Hawk is best known for staying in constant motion by flapping its wings throughout every basketball game and representing the Saint Joseph's motto, "The Hawk Will Never Die."

Jim Brennan originated the idea for a hawk as mascot during the 1954-55 season. Brennan, an ex-Marine and SJU cheerleader, at first wanted to secure an actual hawk, but later switched to the costume idea. The student government raised the 120 dollars needed to buy the initial costume, which Brennan donned for three years. He made his debut as the Hawk on December 3, 1955, a 84-72 win over Rhode Island at the Palestra. Since then, and including this season, a total of 61 SJU students, have donned the costume for both the men's and women's basketball programs.

In addition to the constant flapping, the Hawk is also recognized by its "flying" in figure eights around the court during timeouts. The constant motion, coupled with the scrappy play of the University's athletic teams, helped to spawn the school's familiar slogan "The Hawk Will Never Die!" A few years ago, ESPN used a "flap-o-meter" on the national telecast of a Saint Joseph's game to estimate that the Hawk flaps its wings upwards of 6,000 times during a regulation game.

The Hawk is unique because it is one of the few mascots in the nation that travels to every game, and the student who holds the position gains a full scholarship. The student, who is selected through an interview process during the previous spring semester and travels with the squads.

It has been the connection with the storied tradition of the Saint Joseph's men's and women's basketball programs that has given The Hawk mascot its prominence on the national level, making it one of the most recognized mascots in college athletics. After more than two decades of extensive use; hundreds of thousands of flaps; and countless appearances at University activities, community events and alumni weddings Saint Joseph's revealed an updated version of The Hawk this past August.

This year, junior **Michael Sorothen** is serving as The Hawk for the Saint Joseph's men's basketball program.

Head Coach

The 15th head coach in the storied history of Saint Joseph's men's basketball program, Billy Lange returns for his fifth season at Hawk Hill in 2023-24.

Named Saint Joseph's head coach on March 28, 2019, Lange brought more than 23 years of sideline experience to the Hawks, most recently as assistant coach of the Philadelphia 76ers. Since he joined the Sixers in 2013, the team has rebuilt its culture, emphasized player development and implemented a process that has led to their current success.

Lange's college head coaching experience spans nine years with stints at the U.S. Merchant Marine Academy and the U.S. Naval Academy. As Navy's head coach from 2004 to 2011, the Midshipmen showed a marked improvement under Lange, as he led the squad to its first winning season in seven years during the 2007-08 campaign with a 16-14 record. Helped by a six-game winning streak, that squad went 9-5 in league play and finished second in the regular season. Lange was named the 2008 Patriot League Coach of the Year for his efforts, which also saw Greg Sprink earn Player of the Year honors, marking the only time a Midshipman has received that league's award.

He served as head coach at the U.S. Merchant Marine Academy from 2000 through 2001, where he compiled a 39-19 record and led the Mariners to the Skyline Conference regular-season title in each of his two seasons. In 2001, the USMMA also won the conference tournament title to secure a bid to the Division III NCAA Tournament and reach the Sweet 16, becoming the first team in program history to advance past the first

round of the NCAA Tournament. Lange was named the New York Metropolitan Basketball Writers Division III Coach of the Year following that season.

A native of Haddon Heights, N.J., Lange began his coaching career with one season at his alma mater, Bishop Eustace Prep, succeeding his father, Bill Lange, Sr., in the role. He then moved on to the collegiate level as an assistant coach under Naismith Hall of Fame coach Herb Magee at Philadelphia (now Jefferson) University. After two seasons with the Rams, he served as an assistant coach at La Salle University under Speedy Morris for one season before taking over at the USMMA.

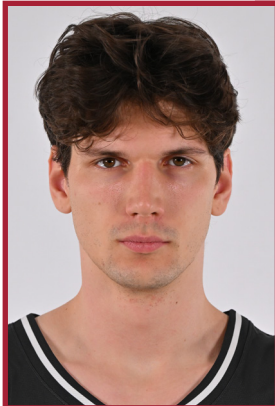

Lange joined Jay Wright's staff at Villanova as an assistant coach and coordinator of basketball operations for three seasons before taking the head job in Annapolis. He returned to Villanova as the Wildcats' associate head coach in 2011 before joining the 76ers in 2013.

Lange's connection to Saint Joseph's runs deep as his parents, Bill and Kathy, are both alumni, as is his brother, Mark. Lange's wife, Alicia, served as the Hawks' coordinator of academic services for student-athletes for five years in the early 2000's, while his son Will, is a freshman member of the men's basketball program in 2023-24.

A 1994 graduate of Rowan, he and Alicia are the parents of four sons – Will, Matt, Jake and Marc.
