### FAST BREAK FACTS

- Colgate hosts Iona in its final non-conference game of the regular season. The Raiders dropped a 20-point decision at Iona last year, falling to the Gaels 85-65 in New Rochelle, N.Y. This will be the sixth all-time meeting between the two programs.
- The Raiders are 0-5 all-time against Iona, with four of those matchups taking place on the road. The only previous head-to-head game played in Hamilton was in 1997 when Iona came out on top, 85-68.
- Both teams were in the NCAA tournament just two seasons ago in 2022-23 as two of New York's most successful mid-major programs. Iona earned a No. 13 seed while Colgate earned a No. 15 seed.
- Sunday's matinee will close the books on a 13-game non-conference slate for the Raiders.

- Colgate is coming off an impressive win over Vermont last Sunday at Cotterell Court. The Raiders erased a seven-point second-half deficit to overcome the Catamounts 65-60 for their third win of the season.
- Nicolas Louis-Jacques led the team in scoring for the sixth time this season with 17 points on 7-of-13 from the field and 3-of-7 from behind the arc.
- Colgate's strength of schedule is ranked 95th in the country, arguably the toughest non-conference slate in program history. Lehigh is the next closest Patriot League opponent with a SOS ranked 158th.
- Up next the Raiders open their Patriot League title defense on Thursday, Jan. 2, when Army comes to Hamilton for a 7 p.m. tipoff at Cotterell Court.

SETTING THE SCENE

Colgate and Iona meet for the sixth time in a series that began in 1979-80. The Gaels have won each of the five previous matchups, including an 85-65 victory over the Raiders last season in New Rochelle, N.Y. Four of the previous five games have been played at Iona. The lone previous meeting in Hamilton occurred in 1996 with Iona earning an 86-68 win.

LAST GAME TAKEAWAYS

Colgate overcame a seven-point second-half deficit and made clutch free throws in the final minute to pull off a 65-60 victory over Vermont in a back-and-forth battle last Sunday at Cotterell Court. First-year Josh Ahayere and Brady Cummins made four clutch free throws in the final minute to help Colgate hold on for its third win of the season. Nicolas Louis-Jacques led the team with 17 points and three made trifectas.

LOUIS-JACQUES FROM LONG RANGE

Senior Nicolas Louis-Jacques has netted at least three 3-pointers in six different games this season, including last time out when he finished 3-for-7 from behind the arc en route to a team-high 17 points in Colgate's 65-60 victory over Vermont. He ranks second on the team with a .371 three-point percentage, behind Parker Jones' .375 team-leading clip.

NEW CAREER-HIGH MARKS AT KENTUCKY

Sophomore point guard Jalen Cox dished out a career-high eight assists and first-year center Cameron Brennan shined with a career-best eight rebounds in Colgate's hard-fought loss at Kentucky on Wednesday. Parker Jones' 17 points matched his career-best from earlier this season at UNC Wilmington, along with his four made 3-pointers.

PRESEASON FAVORITES

Colgate was picked first in the Patriot League preseason poll for the fourth consecutive year, receiving 14 of a possible 18 first-place votes. Head Coach Matt Langel is 13-for-13 in either tying or beating the preseason ranking but has an unfamiliar task this season, leading a team that does not return an All-Patriot League selection for the first time since the 2017-2018 season.

COLGATE PLAYER TO WATCH

Brady Cummins enters Sunday's game having reached double-figures in five consecutive games, including a career-high 20-point showing against Sam Houston in the Live Oak Bank Holiday Classic at UNC Wilmington. He scored 11 points last time out against Vermont.

GENEROUS JALEN COX

Sophomore point guard Jalen Cox has recorded at least five assists in three of the last four games including two games where he set new career-high marks. He had seven assists against Cornell (12/4) and followed that up with a career-high eight helpers at Kentucky (12/11).

RAIDER WEEKLY RUNDOWN

Colgate's grueling non-conference slate comes to an end on Sunday at Cotterell Court. The Raiders will enjoy a short break through the holiday break before returning to action on Thursday, Jan. 2, when they host Army in the first of 18 regular-season Patriot League matchups.

STRENGTH OF SCHEDULE

Colgate's strength of schedule is ranked 95th in the country, arguably the toughest non-conference slate in program history, according to Team Rankings. Lehigh is the next closest Patriot League opponent with a strength of schedule ranked 158th nationally.

BACK, TO BACK, TO BACK, TO BACK CHAMPS

Colgate capped off its fourth consecutive Patriot League championship with a 74-55 victory over Lehigh. The Raiders' run of historic success continued with their seventh consecutive league championship game appearance (sixth straight championship game at home), fourth straight championship, and fifth title in six years.

The Raiders finished the season with 25 wins (25-10), which tied for the second most wins in program history and only one shy of the record set during the 2022-23 NCAA tournament team that finished 26-9 and set the Patriot League record with 17 league wins (17-1). Since 2018-19, Colgate has a remarkable 87-15 Patriot League record which has included five 20-win seasons - the program's only five such campaigns in their 124-year history.

Head Coach Matt Langel was named the Patriot League Coach of the Year for the fifth time in a seven-year span. Last year he became the only coach in Patriot League history to earn the award four times before repeating in 2023-24. Langel's five PL championships are the most of any men's basketball head coach in league history, and in his 14th season he has tied the PL record for the most tournament wins of any head coach (21). Colgate's seven Patriot League championships are the most by any team in the league. Five of them have come in the last six years under head coach Matt Langel, who is already the winning coach in program history.

Colgate has appeared in seven consecutive Patriot League championship games, hosted the last six Patriot League title games, reached the NCAA tournament five times since 2018-19 with with five Patriot League championships, five regular season titles, and five 20-win seasons. Before 2018-19 the Raiders had only reached the NCAA tournament twice ever, back-to-back years in the mid-90s, and they had never enjoyed a 20-win season.

Colgate's historic run started in 2018-19 when the Raiders won their first Patriot League title in 23 years by defeating Bucknell in the championship game, 94-80, on March 13, 2019. That was only the beginning of what has grown into one of the most respected stretches of success in the nation. Colgate's run of five consecutive NCAA tournament appearances ranks sixth nationally, tied with Baylor. The only programs with longer active NCAA tournament streaks include Kansas, Michigan State, Gonzaga, Purdue, Tennessee, and Houston.

PATRIOT LEAGUE LEADER	
With five PL championships in six years Colgate has vaulted to the top of the league in total titles (7), surpassing Bucknell and Holy Cross who both have six. The Raiders have eight regular season championships, which only trails Bucknell's 13 for the most in the conference.	
COLGATE HONORS LATE FACULTY LIASION	
The Colgate men's basketball team honored its late faculty liaison, Ephraim Woods, with a 3-on-3 basketball tournament on campus for the campus community. Woods, who passed away in February 2023, was the program's long-time faculty liaison and lifelong basketball fan. The proceeds from the tournament raised awareness for the American Brain Tumor Association in his memory.	
ABOUT COLGATE UNIVERSITY	
Colgate is a distinctive, leading American university known for its intellectual rigor, world-class professors, campus of stunning beauty, and alumni famously loyal to their alma mater. Through its curriculum, the engagement of the faculty, and life on the campus, Colgate challenges students to be enlightened thinkers and prepares them to be global citizens who will thrive in life and in work.	
ABOUT THE PATRIOT LEAGUE	
The Patriot League is in its fourth decade of academic and athletic achievement, continually demonstrating that student-athlete can excel at both academics and athletics without sacrificing high standards. The Patriot League's athletic success is achieved while its member institutions remain committed to its founding principle of admitting and graduating student-athletes that are academically representative of their class. Participation in athletics at Patriot League institutions is viewed as an important component of a well-rounded education.	
RAIDERS AMONG NATION'S BEST ACADEMICALLY	
Colgate University student-athletes continue to set a national standard in the classroom, posting a 97 percent graduation success rate according to the new NCAA Graduation Success Rate (GSR) data. Colgate's 97 percent GSR remains a leader among its peers and ranks alongside contemporaries such as Stanford and Vanderbilt. Colgate was the only top 25 liberal arts institution in the 2023-24 NCAA tournament, according to U.S. News & World Report.	
LUCKY NUMBER 13	
Colgate considers 13 to be its lucky number. The University celebrates Colgate Day every Friday the 13th. In 1817, 13 men met in the frontier settlement of Hamilton, N.Y., to found the Baptist Education Society of the State of New York. They are said to have backed up their experiment in education with 13 dollars and 13 prayers, which is why 13 is considered a lucky number at Colgate. The 13 stripes as a graphic element pay homage to those student-athletes who have come before, and to those who earned their stripes competing for championships.

THE COLGATE THIRTEEN	
	
Colgate considers 13 to be a lucky number. The University celebrates Colgate Day every Friday the 13th. In 1817, 13 men met in the frontier settlement of Hamilton, N.Y., to found the Baptist Education Society of New York. They are said to have backed up their experiment in education with 13 dollars and 13 prayers, which is why 13 is considered a lucky number at Colgate. The 13 stripes as a graphic element pay homage to those student-athletes who have come before, and to those who earned their stripes competing for championships.
