TOM PECORA | 2ND SEASON AS HEAD COACH | 8TH SEASON AT QU

Tom Pecora – a veteran with 15 years of experience as a head coach at the Division I level – enters his second season at the helm of the Quinnipiac program in 2024-25. Pecora just completed his seventh season in total with the Bobcats (previously served as Associate HC from 2017-2023). He was announced as Quinnipiac's next Head Coach on Thursday, April 13, 2023.

Pecora led the Bobcats to a record-breaking 2023-24 campaign during his first year at the helm, eventually earning MAAC Coach of the Year honors after guiding the Bobcats to the top seed in the conference. Quinnipiac set a new program record for wins (24) during the benchmark season, as the Bobcats went 15-5 in league play to capture the program's first-ever MAAC Regular Season Championship. The Bobcats set a new program record for total points (2,630) under Pecora. Quinnipiac defeated each MAAC opponent at least once.

QU's 19-4 start over their first 23 games marked the program's best start to a year since the 1965-66 campaign. Quinnipiac won 10 consecutive games from Jan. 5 – Feb. 8. The Bobcats finished the month of January with a 7-0 record, marking the first perfect month in the University's Division I history.

Pecora served as the head coach at Hofstra for nine years (2001-2010) and at Fordham for five seasons (2010-15). Prior to taking over the head coaching position at Hofstra, Pecora served as the associate head coach under Jay Wright for seven seasons, the last two of which resulted in America East Conference titles and NCAA Tournament berths.

As a head coach at Hofstra, he compiled a 155–126 mark in nine seasons, leading the Pride to four postseason appearances (three NIT and one CBI), more than any team in New York City over that nine-year span. In 16 years at Hofstra with Pecora on the staff (nine years as a head coach, seven as an assistant), the Pride averaged 19 wins a season (246-161).

During his time in Hempstead, Hofstra was the winningest program in the Metropolitan New York area. Over his last six years, Hofstra won 121 games, including four 20-win seasons. In 2006 and 2009, he was named Coach of the Year by the Metropolitan Basketball Writers Association (MBWA) and he also received regional Coach of the Year honors from the National Association of Basketball Coaches (NABC) and the Basketball Coaches Association of New York (BCANY). Pecora also had tremendous success in developing guards while at Hofstra. As an assistant, he recruited NBA guards Speedy Claxton and Norman Richardson, while as a head coach, he recruited three guards who scored over 2,000 career points -- Loren Stokes, Antoine Agudio and Charles Jenkins. Claxton, Richardson, Stokes and Jenkins all won their conference Player of the Year Awards, while Jenkins also played in the NBA for the Golden State Warriors and Philadelphia 76ers.

Prior to joining the staff at Hofstra, Pecora also had previous experience in running a program, serving as head basketball coach at the State University of New York at Farmingdale from 1989-92. In three seasons at Farmingdale, the Rams posted a 62-24 record, captured the Region 15 championship in 1992 (when they finished 20-9), advanced to the National Junior College Athletic Association Tournament and were ranked as one of the nation's top 20 junior college programs.

A native of Queens Village, New York, Pecora attended Martin Van Buren High School before moving on to Adelphi University, where he graduated in 1983 with a bachelor's degree in physical education and health. He was inducted into Adelphi's Hall of Fame in 2002. Pecora entered the coaching profession as an assistant to former Davidson head coach Bob McKillop at Long Island Lutheran High School from 1984 through 1987. Pecora then served as an assistant coach to Stu Klein at Nassau Community College in Garden City from 1987 through 1989. During his tenure at Nassau Community College, the Lions posted back-to-back 25-win seasons and in 1989 played in the National Junior College Athletic Association Tournament for the only time in school history.
