QUICK HITTERS

The Jaspers dropped a defensive battle against Quinnipiac on Thursday in Draddy Gym, 50-38.

In that game, Jade Blagrove hauled in a career-high 17 rebounds in the contest, with 10 coming in the first half.

LAST TIME OUT

Manhattan struggled offensively against Quinnipiac on Thursday. There seemed to be a lid on the basket all night in Draddy, with the Green and White shooting 18 percent from the field on the game.

Despite the shooting woes, the Green and White managed to secure 21 offensive rebounds while holding Quinnipiac to a mere 50 points.

SCOUTING IONA

Iona enters Saturday's contest holding down the top spot in the MAAC at 9-1 in league play and an overall mark of 14-5.

Last week against Rider, the Gaels set a new NCAA record, connecting on 15 straight triples in a resounding win over Rider.

The Gaels have been lethal from beyond the arc, with Kate Mager leading the MAAC, shooting the lights out from deep at 48.4 percent.

CEMENTING HER LEGACY

Against Canisius, Dee Dee Davis became the 10th all-time leading scorer in program history after she hit a free throw in the closing seconds of the first half to move past former teammate Courtney Warley for 10th all-time. Davis currently sits at 1,304 points, a mere one point away from tying the 9th all-time leading scorer, current Manhattan Athletic Director Marianne Reilly (1,305).

Davis did pass Reilly with a triple early on in the first quarter against Quinnipiac to take sole ownership of ninth place. Her next target is Monica Roeder, who finished her Jasper career with 1381 points.

PRIME KID'S PROGRAMMING

The Jasper's game against Siena served as the team's kid day and Dee Dee Davis put a show for the kids in the stands. She posted a career-high 37 points to lead the team to a 78-53 win over the Siena Saints.

At the end of the first quarter, Davis had 17 points on her own while Siena had only mustered 12 as a team. At halftime, she was up to 28 points, which was her season-high at the time.

For her effort, she was awarded both MAAC Player of the Week as well as the Metropolitan Basketball Writers Association bestowed her with Player of the Week honors

TRIPLE D, NOT LIKE GUY FIERI'S

Against LIU, Dee Dee Davis recorded the first

triple double since Gina Somma in 1994. Davis finished with 13 points, 13 rebounds and 10 helpers. She got the final assist she needed with under a minute left when she found Narrie Dodson in the fast-break.

SIGNATURE JASPER DEFENSE

In the second quarter against LIU, the Jasper defense help the Sharks offense to a lowly one point. The Sharks went 0-9 from the field, committed nine turnovers, eight of which were steals by the Jaspers, and were out-rebounded 15-5.

NEW CAREER MARKS OUT WEST

While in Arizona, three Jaspers set new career-highs. Bella Nascimento shattered her previous career that she set last year against Stetson, putting 23 points on Lindenwood. In the same game, Petra Juric eclipsed her career-high in points that she set in the prior game, pouring in 22 points in a double-double that saw her pull down 12 rebounds.

In the team's loss against North Dakota, Jade Blagrove recorded seven thefts which is the most any Jasper has had since Courtney Warley recorded the same amount in 2019.

PRESEASON RECOGNITION

The Jaspers received significant preseason honors. The Jaspers were selected second in the preseason poll and received three first-place votes. Dee Dee Davis was selected as the Preseason Player of the Year and Preseason First-Team All-MAAC. Brazil Harvey-Carr earned Preseason Second-Team honors.

BLAGROVE ON DEFENSE

In the team's match up with North Dakota in the GCU Thanksgiving Classic, Jade Blagrove recorded seven thefts, the most any Jasper player has recorded since Courtney Warley recorded the same amount in 2019 against Iona.

JURIC'S HOT START

After missing the first three games of the season, Petra Juric started the season in on fire. She has recorded three 20 point double-doubles to in her first three appearances. In her season debut against Howard, she poured in 21 points and a career-high 14 rebounds. She followed that up against Lindenwood at the GCU Thanksgiving Classic with a career-high 22 points and 12 rebounds. The following day against North Dakota, she again posted 22 points and 11 rebounds.

For her performance at the GCU Thanksgiving Classic, she earned MAAC Player of the Week honors.

Juric is the only D1 player to record three 20-point double-doubles in her first three games this season.

NASCIMENTO BROUGHT THE HEAT BACK EAST

THE WORLDWIDE LEADER

For the fourth-straight season all of Manhattan's MAAC games will air on the ESPN family of networks. Most games will air on ESPN3 or ESPN+, with ESPN3 games able to be accessed through a cable subscription, and ESPN+ a standalone subscription to ESPN.

WHAT IS A JASPER?

The unique nickname of Manhattan College's athletic teams, the Jaspers, comes from one of the College's most memorable figures, Brother Jasper of Mary, F.S.C., who served as the College's athletic director in the late 19th century. One of the greatest achievements of Brother Jasper was that he brought the then little-known sport of baseball to Manhattan College and became the team's first coach. Since Brother Jasper was also the Prefect of Discipline, he supervised the student fans at Manhattan baseball games while also directing the team itself. During one particularly warm and humid day when the college was playing a semi-pro baseball team called the Metropolitans, Brother Jasper noticed the Manhattan students were becoming restless and edgy with the team coming to bat in the seventh inning of a close game. To relieve the tension, Brother Jasper called timeout and told the students to stand up and stretch for a few minutes until the game resumed. Since the College annually played the New York Giants in the late 1880's and into the

1890's at the old Polo Grounds, the Manhattan College practice of the "seventh inning stretch" spread into the major leagues, where it has now become a time-honored custom practiced by millions of fans annually.

THIS IS MANHATTAN COLLEGE

Why is Manhattan College in the Bronx? Our campus was originally located in Manhattan at the intersection of 131st Street and Broadway. In 1923, Manhattan College moved to its present Riverdale location in order to accommodate a growing student body. But with more than 60 years of history established as Manhattan College, the institution decided to retain the name despite the geographic misnomer. 17 alumni are members of the prestigious National Academy of Engineering — an impressive number for an institution the size of Manhattan College.

Alumni include Rudy Giuliani '65, former mayor of New York City; James Patterson '69, best-selling author; and Raymond Kelly '63, former commissioner of the NYPD.

Manhattan is one of only 182 remaining colleges founded in the United States before the Civil War.

#playGREEN

The Jasper's team motto "playGREEN" is a concept developed by Vulin for the team, playGREEN is a commitment to the pursuit of excellence. Vulin expects her players to have that mindset every day, as they play for their teammates, for their program, and to represent Manhattan College at a championship level. The Jaspers use #playGREEN on all of the team's social media channels.
